# REESBY RECRUITMENT

SPECIALIST TALENT

## ABOUT US

Reesby are a specialist recruitment agency. Reesby has launched technology events across Victoria and were a key organiser of the Victorian Engineering and IT Expo that had 3,000 graduate attendees and exhibitors which we brought together such as Commonwealth Bank, Thales, Dolby Digital, Telstra and so much more! We have been nominated in 2016 for the TechDiversity award and we have a division that specialises in Women and Diversity. We also have an IoT Division with access to emerging tech talent and programs aimed at educating people on job readiness.

## SERVICES & OFFERINGS

We provide an outgoing high quality of client service to ensure convenience and seamlessness with a fresh approach to recruitment. We assist with staff on boarding, staff retention strategies and also attracting talent to your organisation who may not have considered a role with your business previously. We provide police-checks through Intercheck, who are the provider of background checks for Deliveroo. It is important you get quality and verified talent!
